

Arizona Women's Ice Hockey

To whom it may concern:

We are the Women's Ice Hockey team at the University of Arizona and we are now entering our sixth season. Three out of six years we have taken the championship in our division at the Las Vegas tournament in February. We also have given back to the local community by volunteering annually in the Arizona Winter Special Olympics and by helping Polar Ice in teaching young children the basics of hockey.

We are proud to be one of the few collegiate hockey teams in Arizona; however, there are few local teams. Therefore it is necessary for us to travel to compete against teams from California, Montana, Idaho and Washington. With the University's budget, our Ice Hockey program receives minimal funding we are unable to travel as much as we would like.

For only one hour of ice time it costs us \$250. Paying for this, as well as equipment, tournament fees, travel expenses, and room accommodations all come from each player's pocket. Since we are college students, this expense is difficult for most of our players. Thus, we are asking for a tax-deductible donation that can be put towards our costs.

Should you decide to aid our team the Icers would be proud to advertise your company on our web site. These donations could come in any form including gift certificates, sponsorships, or products. Please contact us for any questions or concerns.

Thank you for your time,

Miranda Bergman
